

Attention: Changes to the EAST CAMPUS Carpool Traffic Flow – FYI for CP Parents

Beginning Wednesday September 21 TCA East Fulltime carpool will alter its traffic patterns according to the map posted [here](#).

As you familiarize yourself with these new traffic patterns please note three important times to be aware of during the day.

Attention: You may want to avoid the front curb drop-off / pick-up at these times.

1. Morning Carpool (7:45-8:15am)

- a. 7:30-7:40am: Parents who drop CP students between 7:30-7:40am *can* continue to pull to the front of the school. After 7:45am CP students should park and walk to the front of the school or be directed to join the East carpool traffic flow.
- b. 7:45-8:15am: Please note that Cross Peak View will be closed at New Life Drive to facilitate the larger carpool traffic flow. Study the attached carpool map and plan accordingly.

2. Mid-Day Kindergarten Pick-up/Drop-off

- a. 11:30-12:15pm: CP Parents who are dropping off or picking up their students should park in Lot#5 during this time. CP parents should not use the front of the school during this kindergarten carpool time.

3. Afternoon Carpool (2:45-4:00pm)

- a. 2:45-4:00pm: NOTE: The East Campus carpool traffic flow will allow fulltime cars to queue at the front of the school beginning at 2:45pm.
 - Be Aware: From 2:45pm Cross Peak View will again be closed at New Life Drive to facilitate the larger carpool traffic flow.
- b. 3:10-3:15pm: Parents picking up CP students at 3:10 may pull to the front of the school, pulling to the left past those parked cars queued at the front of the school. CP cars may load students in front of the school nearest to the playground. CP cars may load and pull out by 3:15 pm, plenty of time ahead of the start of fulltime carpool which starts at 3:30.

Please feel free to call our office if you have any questions about this new traffic flow.
